Assisted Living Services for High Risk Seniors

What is Assisted Living Services?

The publicly funded Assisted Living Services (ALS) program offers community-based health care services that provide eligible seniors with the personal support and services that allow you to continue living in your own home for as long as possible.

What types of services are offered?

We offer non-medical services including:

- Help with everyday activities such as bathing, dressing, light meal preparation, light housekeeping
- Reminders to take medication
- Safety and reassurance checks (by phone or in person)
- Electronic 24-hour emergency response system included with services
