A caregiver is a type of essential visitor who is designated by the resident and/or their substitute decision-maker and is visiting to provide direct care to the resident (e.g., supporting feeding, mobility, personal hygiene, cognitive stimulation, communication, meaningful connection, relational continuity, and assistance in decision-making).<sup>1</sup> Examples of caregivers include family members, a privately hired caregiver, paid companions, and translators. Up to 2 caregivers may be designated per resident at a time.

## Caregivers Designation

Resident Name: \_\_\_\_\_ Unit: \_\_\_\_\_

	Name	Phone Number	Is this caregiver a Private Service Provider? (Y/N)
Caregiver 1			
Caregiver 2			

Private Service Providers (PSPs) refer to any private healthcare/service provider providing services to residents not paid for by the Ministry of Long-Term Care of the Perley Rideau. If the caregiver is a PSP, the Private Service Provider policy must be reviewed. [Click Here](#)

- PSPs must also complete Appendix C of the policy ("Agreement between the Resident/SDM and The Perley and Rideau Veterans' Health Centre Re: Private Service Providers") [Click Here](#)
- Appendix C must be provided to the unit nurse so that it can be included in the resident's care plan.

## Caregiver Training

Caregivers must review the Infection Prevention and Control (IPAC) education and training for visitors created by Public Health Ontario. See the four items listed below.

## Guidelines

1. Caregivers will present to the Support Services office for a badge/photo ID to be created ([View map, CLICK HERE](#)). There is a \$5 charge for the creation of the badge/photo ID.
2. Caregivers must be screened and show proof of a negative COVID-19 test in the last 7 days.
3. Caregivers must attest that within the last 14 days, they have not visited another resident who is in self-isolation or symptomatic and/or a home on outbreak.
4. Caregivers must attest that they have read the Visitor Policy.
5. All caregivers must remain on the unit where they have been assigned as a caregiver.
6. Only 1 caregiver may visit a resident at a time.

## Attestation and Signature

I, \_\_\_\_\_ have designated the listed individuals as caregivers and attest that the designated caregivers have reviewed the mandatory training and are familiar with the guidelines.
