

How NOT to Wear Your Mask

DON'T:
Wear your mask
under your nose.

DON'T:
Wear your mask
exposing your chin.

DON'T:
Wear your mask
loose leaving gaps.

DON'T:
Just cover the
tip of your nose.

DON'T:
Pull your mask
under your chin .

DO:

- Before putting on a mask clean your hands
- Open mask to fully cover your face -- from nose to below chin
- If the mask has a nose bar, pinch around your nose
- Make sure to tighten the loops/ties

Other Tips:

- Always wash your hands before and after using your mask.
- Put on and take off mask by using the loops or ties.
- Do not touch the front of the mask when removing.
- N95 masks are to be placed in designated bins. Wash and dry cloth masks daily. Store in a clean and dry spot.
- Please deposit procedural masks into designated red bins
- Please continue to practice good hand hygiene and safe social distancing
- A mask does not replace physical distancing, or other protective measures.
